

§ 101-8.713

§ 101-8.713 Assurance of compliance and recipient assessment of age distinctions.

(a) Each recipient of Federal financial assistance from GSA signs a written assurance as specified by GSA that it intends to comply with the Act and this regulation.

(b) Recipient assessment of age distinctions.

(1) As part of a compliance review under § 101-8.715 or complaint investigation under § 101.8.718, GSA may require a recipient employing the equivalent of 15 or more employees to complete a written self-evaluation of any age distinction imposed in its program or activity receiving Federal financial assistance from GSA to assess the recipient's compliance with the Act.

(2) If an assessment indicates a violation of the Act and the GSA regulation, the recipient takes corrective action.

§ 101-8.714 Information requirements.

Each recipient must:

(a) Keep records in a form and containing information that GSA determines necessary to ensure that the recipient is complying with the Act and this regulation.

(b) Provide to GSA upon request, information and reports that GSA determines necessary to find out whether the recipient is complying with the Act and this regulation.

(c) Permit reasonable access by GSA to books, records, accounts, facilities, and other sources of information to the extent GSA finds it necessary to find out whether the recipient is complying with the Act and this regulation. GSA adopts HHS policy regarding the kinds of data and information recipients are expected to keep (45 CFR 90.34). This policy is parallel to compliance information sections in the title VI, title IX, and section 504 implementation regulations. While recognizing the need for enough data to assess recipient compliance, GSA is committed to lessening the data gathering burden on recipients. GSA further recognizes that there is no established body of knowledge or experience to guide the assessment of age discrimination. This regulation, therefore, does not impose specific data requirements upon recipi-

ents, rather, it allows GSA to be flexible in deciding what kinds of data should be kept by recipients, based on what kinds of data prove useful as GSA gains experience with the Age Discrimination Act, and age discrimination issues become clearer.

(d) In accordance with the Paperwork Reduction Act of 1980 (Pub. L. 59-511), the reporting and record keeping provisions included in this regulation will be submitted, for approval, to the Office of Management and Budget (OMB). No data collection or record keeping requirement will be imposed on recipients or donees without the required OMB approval number.

§ 101-8.715 Compliance reviews.

(a) GSA may conduct compliance reviews and use similar procedures to investigate and correct violations of the Act and this regulation. GSA may conduct the reviews even in the absence of a complaint against a recipient. The reviews may be as comprehensive as necessary to determine whether a violation of the Act and this regulation has occurred.

(b) If a compliance review indicates a violation of the Act or this regulation, GSA attempts to achieve voluntary compliance with the Act. If compliance cannot be achieved, GSA arranges for enforcement as described in § 101-8.720.

§ 101-8.716 Complaints.

(a) Any person, individually or as a member of a class (defined at § 101-8.703(e)) or on behalf of others, may file a complaint with GSA alleging discrimination prohibited by the Act or this regulation based on an action occurring after July 1, 1979. A complainant must file a complaint within 80 days from the date the complainant first has knowledge of the alleged act of discrimination. However, for good cause shown, GSA may extend this time limit.

(b) GSA considers the date a complaint is filed to be the date upon which the complaint is sufficient to be processed.

(c) GSA attempts to facilitate the filing of complaints if possible, including taking the following measures:

(1) Accepting as a sufficient complaint, any written statement that
