to your home, office or other authorized point.

§ 301-11.10 Am I required to record departure/arrival dates and times on my travel claim?

You must record the date of departure from, and arrival at, the official station or any other place travel begins or ends. You must show this same information for points where you perform TDY or for a stopover or official rest stop location when the arrival or departure affects your per diem allowance or other travel expenses. You also should show the dates for other points visited. You do not have to record departure/arrival times, but you must annotate your travel claim when your travel is more than 12 hours but not exceeding 24 hours to reflect that fact.

§ 301-11.11 May I stay in a lodging facility of my choice?

Yes. You are encouraged to stay in lodging facilities that have been approved by FEMA as “approved accommodations”. To ensure that you are staying in an approved facility, given the best available choices and/or obtaining Government discount rates, you are further encouraged to make lodging arrangement through your agency’s TMS.

§ 301-11.12 How does the type of lodging I select affect my reimbursement?

Your agency will reimburse you for different types of lodging as follows:

(a) *Conventional lodgings.* (Hotel/motel, boarding house, etc.) You will be reimbursed the single occupancy rate.

(b) *Government quarters.* You will be reimbursed, as a lodging expense, the fee or service charge you pay for use of the quarters.

(c) *Lodging with friend(s) or relative(s) (with or without charge).* You may be reimbursed for additional costs your host incurs in accommodating you only if you are able to substantiate the costs and your agency determines them to be reasonable. You will not be reimbursed the cost of comparable conventional lodging in the area or a flat “token” amount.

(d) *Nonconventional lodging.* You may be reimbursed the cost of other types of lodging when there are no conventional lodging facilities in the area (e.g., in remote areas) or when conventional facilities are in short supply because of an influx of attendees at a special event (e.g., World’s Fair or international sporting event). Such lodging includes college dormitories or similar facilities or rooms not offered commercially but made available to the public by area residents in their homes.

(e) *Recreational vehicle (trailer/camper).* You may be reimbursed for expenses (parking fees, fees for connection, use, and disconnection of utilities, electricity, gas, water and sewage, bath or shower fees, and dumping fees) which may be considered as a lodging cost.

§ 301-11.13 How does sharing a room with another person affect my per diem reimbursement?

Your reimbursement is limited to one-half of the double occupancy rate if the person sharing the room is another Government employee on official travel. If the person sharing the room is not a Government employee on official travel, your reimbursement is limited to the single occupancy rate.

§ 301-11.14 How is my daily lodging rate computed when I rent lodging on a long-term basis?

When you obtain lodging on a long-term basis (e.g., weekly or monthly) your daily lodging rate is computed by dividing the total lodging cost by the number of days of occupancy for which you are entitled to per diem, provided the cost does not exceed the daily rate of conventional lodging. Otherwise the daily lodging cost is computed by dividing the total lodging cost by the number of days in the rental period. Reimbursement, including an appropriate amount for M&IE, may not exceed the maximum daily per diem rate for the TDY location.

§ 301-11.15 What expenses may be considered part of the daily lodging cost when I rent on a long-term basis?

When you rent a room, apartment, house, or other lodging on a long-term
