

§ 3481.3

a local newspaper of general circulation in the locality of the proposed LMU at least once a week for 2 weeks consecutively and shall not approve the application for at least 30 days after the first publication of the proposed decision. Such notice may be published concurrently with the notice of availability.

(3) *Public participation.* A public hearing shall be conducted upon the receipt by the authorized officer of a written request for a hearing from any person having a direct interest which is or may be affected adversely by approval of the proposed LMU, provided that the written request is received within 30 days after the first publication of the notice of proposed decision in a newspaper of general circulation in the locality of the proposed LMU. A complete transcript of any such public hearing, including any written comments submitted for the record, shall be kept and made available to the public during normal business hours at the office of the authorized officer that held the hearing, and shall be furnished at cost to any interested party. In making any decision or taking any action subsequent to such public hearing, the authorized officer shall take into account all testimony presented at the public hearing.

§ 3481.3 Confidentiality.

(a) Information on file with MMS obtained pursuant to the rules of this part or part 3400 of this title shall be open for public inspection and copying during regular office hours upon a written request, pursuant to rules at 43 CFR part 2, except that:

(1) Information such as geologic and geophysical data and maps pertaining to Federal recoverable coal reserves obtained from exploration licensees under the rules of this part or part 3410 of this title shall not be disclosed except as provided in 43 CFR 2.20(c).

(2) Information obtained from an operator/lessee under the rules of this part that constitutes trade secrets and commercial or financial information which is privileged or confidential or other information that may be withheld under the Freedom of Information Act (5 U.S.C. 552(b)), such as geologic and geophysical data and maps, shall

43 CFR Ch. II (10–1–02 Edition)

not be available for public inspection or made public or disclosed without the consent of the operator/lessee.

(3) Upon termination of a Federal lease, such geologic and geophysical data and maps shall be made available to the public.

(4) Upon issuance or readjustment of a Federal lease, the estimated Federal recoverable coal reserves figure shall not be made available to the public unless such a release has been included as a Federal lease term.

(b) Information requested by the operator/lessee to be kept confidential under this section shall be clearly marked “CONFIDENTIAL INFORMATION.” All pages so marked shall be physically separated from other portions of the submitted materials. All information not marked “CONFIDENTIAL INFORMATION” will be available for public inspection, except as stated at paragraph (a) of this section for data submitted prior to August 30, 1982.

3481.4 Temporary interruption in coal severance.

3481.4–1 Can I temporarily interrupt coal severance and still be qualified as producing?

Yes, a temporary interruption in coal severance allows you (the lessee/operator) to halt the extraction of coal for a limited period of time without jeopardizing your qualifications under section (2)(a)(2)(A) of MLA to receive additional leases. During the period of a temporary interruption in coal severance, BLM still considers you lease or LMU to be producing so as not to preclude you from receiving a new or transferred lease.

[62 FR 44370, Aug. 20, 1997]

3481.4–2 What are some examples of circumstances that qualify for a temporary interruption of coal severance?

(a) Movement, failure, or repair of major equipment, such as draglines or longwalls; overburden removal; adverse weather; employee absences;
