

§4.1157

(1) That each violation listed in the notice of violation or order occurred; and

(2) The truth of any facts alleged in such notice or order.

(d) In order to issue an initial decision assessing the appropriate penalty when the person against whom the proposed civil penalty is assessed fails to appear at the hearing, an administrative law judge shall either conduct an ex parte hearing or require OSM to furnish proposed findings of fact and conclusions of law.

(e) Nothing in this section shall be construed to deprive the person against whom the penalty is assessed of his opportunity to have OSM prove the violations charged in open hearing with confrontation and cross-examination of witnesses, except where that person fails to comply with a prehearing order or fails to appear at the scheduled hearing.

(b) If the administrative law judge finds that—

(1) A violation occurred or that the fact of violation is uncontested, he shall establish the amount of the penalty, but in so doing, he shall adhere to the point system and conversion table contained in 30 CFR 723.13 and 723.14 or 845.13 and 845.14, except that the administrative law judge may waive the use of such point system where he determines that a waiver would further abatement of violations of the Act. However, the administrative law judge shall not waive the use of the point system and reduce the proposed assessment on the basis of an argument that a reduction in the proposed assessment could be used to abate other violations of the Act; or

(2) No violation occurred, he shall issue an order that the proposed assessment be returned to the petitioner.

(c) If the administrative law judge makes a finding that no violation occurred or if the administrative law
