#### § 426.1 Purpose.

These rules and regulations implement certain provisions of Federal reclamation law that address the ownership and leasing of land on Federal Reclamation irrigation projects and the pricing of Federal Reclamation

project irrigation water, and establish terms and conditions for the delivery of Federal Reclamation project irrigation water.

#### § 426.2 Definitions.

As used in these rules:

*Acreage limitation entitlements* mean the ownership and nonfull-cost entitlements.

*Acreage limitation provisions* mean the ownership limitations and pricing restrictions specified in Federal reclamation law, including but not limited to, Sections 203(b), 204, and 205 of the Reclamation Reform Act of 1982 (43 U.S.C. 390aa *et seq.*).

*Acreage limitation status* means whether a landholder is a qualified recipient, limited recipient, or prior law recipient.

*Commissioner* means the Commissioner of the Bureau of Reclamation, U.S. Department of the Interior.

*Compensation rate* means a water rate applied, in certain situations, to water delivery to ineligible land that is not discovered until after the delivery has taken place. The compensation rate is equal to the established full-cost rate that would apply to the landholder if the landholder was to receive irrigation water on land that exceeded a nonfull-cost entitlement.

*Contract* means any repayment or water service contract or agreement between the United States and a district providing for the payment to the United States of construction charges and normal operation, maintenance, and replacement costs under Federal reclamation law, even if the contract does not specifically identify the portion of the payment that is to be attributed to operation and maintenance and that portion that is to be attributed to construction. This definition includes contracts made in accordance with the Distribution System Loans Act, as amended (43 U.S.C. 421).

*Contract rate* means the assessment, as set forth in a contract, that is to be paid by a district to the United States, and recomputed if necessary on a per acre or per acre foot basis.

*Dependent* means any natural person within the meaning of the term dependent in the Internal Revenue Code
