

(b) When notified in writing by the SRD that his or her vessel has been selected to carry an NMFS-approved observer, an owner or operator must advise the SRD in writing not less than 5 days in advance of each trip of the following:

(1) Departure information (port, dock, date, and time).

(2) Expected landing information (port, dock, and date).

(c) An owner or operator of a vessel on which a NMFS approved observer is embarked must:

(1) Provide accommodations and food that are equivalent to those provided to the crew.

(2) Allow the observer access to and use of the vessel's communications equipment and personnel upon request for the transmission and receipt of messages related to the observer's duties.

(3) Allow the observer access to and use of the vessel's navigation equipment and personnel upon request to determine the vessel's position.

(4) Allow the observer free and unobstructed access to the vessel's bridge, working decks, holding bins, weight scales, holds, and any other space used to hold, process, weigh, or store golden crab.

(5) Allow the observer to inspect and copy the vessel's log, communications logs, and any records associated with the catch and distribution of golden crab for that trip.

Subpart B—Effort Limitations

§ 622.15 Wreckfish individual transferable quota (ITQ) system.

The provisions of this section apply to wreckfish in or from the South Atlantic EEZ.

(a) *Percentage shares.* (1) In accordance with the procedure specified in the Fishery Management Plan for the Snapper-Grouper Fishery of the South Atlantic Region, percentage shares of the quota for wreckfish have been assigned. Each person has been notified by the RA of his or her percentage share and shareholder certificate number.

(2) All or a portion of a person's percentage shares may be transferred to another person. Transfer of shares must be reported on a form available from the RA. The RA will confirm, in writing, each transfer of shares. The effective date of each transfer is the confirmation date provided by the RA. The confirmation date will normally be not later than 3 working days after receipt of a properly completed transfer form. A fee is charged for each transfer of shares. The amount of the fee is calculated in accordance with the procedures of the NOAA Finance Handbook, available from the RA, for determining the administrative costs of each special product or service provided by NOAA to non-Federal recipients. The fee may not exceed such costs and is specified with each transfer form. The appropriate fee must accompany each transfer form.

(b) *Lists of wreckfish shareholders and permitted vessels.* Annually, on or about March 1, the RA will provide each wreckfish shareholder with a list of all wreckfish shareholders and their percentage shares, reflecting share transactions on forms received through February 15. Annually by April 15, the RA will provide each dealer who holds a dealer permit for wreckfish, as required under § 622.4(a)(4), with a list of vessels for which wreckfish permits have been issued, as required under § 622.4(a)(2)(vii). Annually, by April 15, the RA will provide each wreckfish shareholder with a list of dealers who have been issued dealer permits for wreckfish. From April 16 through January 14, updated lists will be provided when required. Updated lists may be obtained at other times or by a person who is not a wreckfish shareholder or wreckfish dealer permit holder by written request to the RA.

(c) *ITQs.* (1) Annually, as soon after March 1 as the TAC for wreckfish for the fishing year that commences April 16 is known, the RA will calculate each wreckfish shareholder's ITQ. Each ITQ is the product of the wreckfish TAC, in round weight, for the ensuing fishing year, the factor for converting round weight to eviscerated weight, and each wreckfish shareholder's percentage share, reflecting share transactions reported on forms received by the RA

§622.16

50 CFR Ch. VI (10-1-02 Edition)

through February 15. Thus, the ITQs will be in terms of eviscerated weight of wreckfish.

(2) The RA will provide each wreckfish shareholder with ITQ coupons in various denominations, the total of which equals his or her ITQ, and a copy of the calculations used in determining his or her ITQ. Each coupon will be coded to indicate the initial recipient.

(3) An ITQ coupon may be transferred from one wreckfish shareholder to another by completing the sale endorsement thereon (that is, the signature and shareholder certificate number of the buyer). An ITQ coupon may be possessed only by the shareholder to whom it has been issued, or by the shareholder's employee, contractor, or agent, unless the ITQ coupon has been transferred to another shareholder. An ITQ coupon that has been transferred to another shareholder may be possessed only by the shareholder whose signature appears on the coupon as the buyer, or by the shareholder's employee, contractor, or agent, and with all required sale endorsements properly completed.

(4) Wreckfish may not be possessed on board a fishing vessel—

(i) In an amount exceeding the total of the ITQ coupons on board the vessel;

(ii) That does not have on board a commercial vessel permit for wreckfish, as required under §622.4(a)(2)(vii); or

(iii) That does not have on board logbook forms for that fishing trip, as required under §622.5(a)(1)(iv)(B).

(5) Prior to termination of a trip, a signature and date signed must be affixed in ink to the "Fisherman" part of ITQ coupons in denominations equal to the eviscerated weight of the wreckfish on board. The "Fisherman" part of each such coupon must be separated from the coupon and submitted with the logbook forms required by §622.5(a)(1)(iv)(B) for that fishing trip.

(6) The "Fish House" part of each such coupon must be given to the dealer to whom the wreckfish are transferred in amounts totaling the eviscerated weight of the wreckfish transferred to that dealer. A wreckfish may be transferred only to a dealer who

holds a dealer permit for wreckfish, as required under §622.4(a)(4).

(7) A dealer may receive a wreckfish only from a vessel for which a commercial permit for wreckfish has been issued, as required under §622.4(a)(2)(vii). A dealer must receive the "Fish House" part of ITQ coupons in amounts totaling the eviscerated weight of the wreckfish received; enter the permit number of the vessel from which the wreckfish were received, enter the date the wreckfish were received, enter the dealer's permit number, and sign each such "Fish House" part; and submit all such parts with the dealer reports required by §622.5(c)(5)(i).

(8) An owner or operator of a vessel and a dealer must make available to an authorized officer all ITQ coupons in his or her possession upon request.

(d) *Wreckfish limitations.* (1) A wreckfish taken in the South Atlantic EEZ may not be transferred at sea, regardless of where the transfer takes place; and a wreckfish may not be transferred in the South Atlantic EEZ.

(2) A wreckfish possessed by a fisherman or dealer shoreward of the outer boundary of the South Atlantic EEZ or in a South Atlantic coastal state will be presumed to have been harvested from the South Atlantic EEZ unless accompanied by documentation that it was harvested from other than the South Atlantic EEZ.

(3) A wreckfish may be offloaded from a fishing vessel only between 8 a.m. and 5 p.m., local time.

(4) If a wreckfish is to be offloaded at a location other than a fixed facility of a dealer who holds a dealer permit for wreckfish, as required under §622.4(a)(4), the wreckfish shareholder or the vessel operator must advise the NMFS, Office of Enforcement, Southeast Region, St. Petersburg, FL, by telephone (1-800-853-1964), of the location not less than 24 hours prior to offloading.
