**Subpart B—Effort Limitations**

**§ 622.15 Wreckfish individual transferable quota (ITQ) system.**

The provisions of this section apply to wreckfish in or from the South Atlantic EEZ.

(a) *Percentage shares.* (1) In accordance with the procedure specified in the Fishery Management Plan for the Snapper-Grouper Fishery of the South Atlantic Region, percentage shares of the quota for wreckfish have been assigned. Each person has been notified by the RA of his or her percentage share and shareholder certificate number.

(2) All or a portion of a person's percentage shares may be transferred to another person. Transfer of shares must be reported on a form available from the RA. The RA will confirm, in writing, each transfer of shares. The effective date of each transfer is the confirmation date provided by the RA. The confirmation date will normally be not later than 3 working days after receipt of a properly completed transfer form. A fee is charged for each transfer of shares. The amount of the fee is calculated in accordance with the procedures of the NOAA Finance Handbook, available from the RA, for determining the administrative costs of each special product or service provided by NOAA to non-Federal recipients. The fee may not exceed such costs and is specified with each transfer form. The appropriate fee must accompany each transfer form.

(b) *Lists of wreckfish shareholders and permitted vessels.* Annually, on or about March 1, the RA will provide each wreckfish shareholder with a list of all wreckfish shareholders and their percentage shares, reflecting share transactions on forms received through February 15. Annually by April 15, the RA will provide each dealer who holds a dealer permit for wreckfish, as required under § 622.4(a)(4), with a list of vessels for which wreckfish permits have been issued, as required under § 622.4(a)(2)(vii). Annually, by April 15, the RA will provide each wreckfish shareholder with a list of dealers who have been issued dealer permits for wreckfish. From April 16 through January 14, updated lists will be provided when required. Updated lists may be obtained at other times or by a person who is not a wreckfish shareholder or wreckfish dealer permit holder by written request to the RA.

(c) *ITQs.* (1) Annually, as soon after March 1 as the TAC for wreckfish for the fishing year that commences April 16 is known, the RA will calculate each wreckfish shareholder's ITQ. Each ITQ is the product of the wreckfish TAC, in round weight, for the ensuing fishing year, the factor for converting round weight to eviscerated weight, and each wreckfish shareholder's percentage share, reflecting share transactions reported on forms received by the RA
