

Fishery Conservation and Management

§ 660.53

may be renewed for 3 months after again following procedures in paragraphs (b) through (g) of this section.

(j) *Repeal.* (1) If the Assistant Administrator decides that protective measures may no longer be necessary for the protection of monk seals, the interested parties will be notified of this preliminary decision and the facts upon which it is based. The Assistant Administrator will request advice on the proposed repeal of the protective measures.

(2) The Assistant Administrator will consider all relevant information obtained by the Regional Director or submitted by interested parties in deciding whether to repeal the protective measures.

(3) If the Assistant Administrator decides to repeal the protective measures—

(i) Interested parties will be notified of the decision; and

(ii) Notification of repeal and the reasons for the repeal will be published in the FEDERAL REGISTER.

§ 660.52 Monk seal emergency protective measures.

(a) *Determination of emergency.* If, at any time during the process described in § 660.51, the Regional Director determines that an emergency exists involving monk seal mortality related to the lobster fishery and that measures are needed immediately to protect the monk seal population, the Regional Director will—

(1) Notify the interested parties of this determination and request their immediate advice and comments.

(2) Forward a recommendation for emergency action and any advice and comments received from interested parties to the Assistant Administrator.

(b) *Implementation of emergency measures.* If the Assistant Administrator agrees with the recommendation for emergency action—

(1) The Regional Director will determine the appropriate emergency protective measures.

(2) NMFS will publish the emergency protective measures in the FEDERAL REGISTER.

(3) The Regional Director will notify the interested parties of the emergency protective measures. Holders of per-

mits to fish in Permit Area I will be notified by certified mail. Permit holders that the Regional Director knows are on the fishing grounds also will be notified by radio.

(c) *Effective dates.* (1) Emergency protective measures are effective against a permit holder at 12:01 a.m., local time, of the day following the day the permit holder receives actual notice of the measures.

(2) Emergency protective measures are effective for 10 days from the day following the day the first permit holder is notified of the protective measures.

(3) Emergency protective measures may be extended for an additional 10 days, if necessary, to allow the completion of the procedures set out in § 660.51.

§ 660.53 Framework procedures.

(a) *Introduction.* New management measures may be added through rule-making if new information demonstrates that there are biological, social, or economic concerns in Permit Areas 1, 2, or 3. The following framework process authorizes the implementation of measures that may affect the operation of the fisheries, gear, harvest guidelines, or changes in catch and/or effort.

(b) *Annual report.* By June 30 of each year, the Council-appointed Crustaceans Plan Team will prepare an annual report on the fisheries in the management area. The report shall contain, among other things, recommendations for Council action and an assessment of the urgency and effects of such action(s).

(c) *Procedure for established measures.*

(1) Established measures are management measures that, at some time, have been included in regulations implementing the FMP, and for which the impacts have been evaluated in Council/NMFS documents in the context of current conditions.

(2) Following the framework procedures of Amendment 9 to the FMP, the Council may recommend to the Regional Director that established measures be modified, removed, or re-instituted. Such recommendation shall include supporting rationale and analysis, and shall be made after advance
