

§ 240.16c-2

§ 240.16c-2 Transactions effected in connection with a distribution.

Any transaction shall be exempt from section 16(c) of the Act to the extent necessary to render lawful any sale made by or on behalf of a dealer in connection with a distribution of a substantial block of securities, where the sale is represented by an over-allotment in which the dealer is participating as a member of an underwriting group, or the dealer or a person acting on the dealer's behalf intends in good faith to offset such sale with a security to be acquired by or on behalf of the dealer as a participant in an underwriting, selling, or soliciting-dealer group of which the dealer is a member at the time of the sale, whether or not the security to be acquired is subject to a prior offering to existing security holders or some other class of persons.

§ 240.16c-3 Exemption of sales of securities to be acquired.

(a) Whenever any person is entitled, incident to ownership of an issued security and without the payment of consideration, to receive another security "when issued" or "when distributed," the sale of the security to be acquired shall be exempt from the operation of section 16(c) of the Act: *Provided, That:*

(1) The sale is made subject to the same conditions as those attaching to the right of acquisition;

(2) Such person exercises reasonable diligence to deliver such security to the purchaser promptly after the right of acquisition matures; and

(3) Such person reports the sale on the appropriate form for reporting transactions by persons subject to section 16(a) of the Act.

(b) This section shall not exempt transactions involving both a sale of the issued security and a sale of a security "when issued" or "when distributed" if the combined transactions result in a sale of more securities than the aggregate of issued securities owned by the seller plus those to be received for the other security "when issued" or "when distributed."

§ 240.16c-4 Derivative securities.

Establishing or increasing a put equivalent position shall be exempt from section 16(c) of the Act, so long as

17 CFR Ch. II (4-1-03 Edition)

the amount of securities underlying the put equivalent position does not exceed the amount of underlying securities otherwise owned.

ARBITRAGE TRANSACTIONS

§ 240.16e-1 Arbitrage transactions under section 16.

It shall be unlawful for any director or officer of an issuer of an equity security which is registered pursuant to section 12 of the Act to effect any foreign or domestic arbitrage transaction in any equity security of such issuer, whether registered or not, unless he shall include such transaction in the statements required by section 16(a) and shall account to such issuer for the profits arising from such transaction, as provided in section 16(b).
