§ 270.8b-25

§ 270.8b-21 Information unknown or not available.

Information required need be given only insofar as it is known or reasonably available to the registrant. If any required information is unknown and not reasonably available to the registrant, either because the obtaining thereof would involve unreasonable effort or expense, or because it rests peculiarly within the knowledge of another person not affiliated with the registrant, the information may be omitted subject to the following conditions:

(a) The registrant shall give such information on the subject as it possesses or can acquire without unreasonable effort or expense, together with the sources thereof.

(b) The registrant shall include a statement either showing that unreasonable effort or expense would be involved or indicating the absence of any affiliation with the person within whose knowledge the information rests and stating the result of a request made to such person for the information.

§ 270.8b-22 Disclaimer of control.

If the existence of control is open to reasonable doubt in any instance, the registrant may disclaim the existence of control and any admission thereof; in such case, however, the registrant shall state the material facts pertinent to the possible existence of control.

§ 270.8b-23 Incorporation by reference.

(a) Any registrant may incorporate by reference, in answer or partial answer to any item of a registration statement or report, any information contained elsewhere in the statement or report or any information contained in any other statement, report or prospectus filed with the Commission under any Act administered by it, so long as a copy of the other statement, report or prospectus is filed with each copy of the registration statement or report in which it is incorporated by reference. In the case of a registration statement, report, or prospectus filed

in electronic format, the registrant need not file a copy of the document incorporated by reference if that document also was filed in electronic format. A registrant may incorporate by reference matter contained in an exhibit, however, only to the extent permitted by §§ 270.8b-24 and 270.8b-32.

(b) Any financial statement filed with the Commission pursuant to any act administered by the Commission may be incorporated by reference in a registration statement or report, filed with the Commission by the same or any other person, if it substantially conforms to the requirements of the form on which the statement or report is filed.

(c) Material incorporated by reference shall be clearly identified in the reference. An express statement that the specified matter is incorporated by reference shall be made at the particular place in the registration statement or report where the information is required. Matter shall not be incorporated by reference in any case where such incorporation would render the statement incomplete, unclear or confusing.
