Subpart I—Ex Parte Communications

§ 28.145 Policy.

It is the policy of the Board to regulate strictly ex parte communications between members of the Board and their decision-making personnel and any interested party to a proceeding before the Board.

§ 28.146 Explanation and definitions.

(a) Ex parte communications are oral or written communications between decision-making personnel of the Board and an interested party to a proceeding without providing the other parties to the proceeding a chance to participate. Not all ex parte communications are prohibited, however, only those which involve the merits of the case or those which violate other rules requiring submissions to be in writing. Accordingly, interested parties may make inquiries about such matters as the status of a case, when it will be heard, and the method for transmitting evidence to the Board. Such communications should be directed to the Clerk of the Board. Parties may not inquire about such matters as what defense they should use or whether their evidence is adequate, make a submission orally which is required to be in writing, or otherwise inquire as to the merits of a pending case.

(b) In this subpart—

(1) “Interested party” includes:

(i) Any party, including the General Counsel of the Board, or representative

of a party involved in a proceeding before the Board;

(ii) Any person desiring to intervene in any proceeding before the Board; or

(iii) Any other person who might be affected by the outcome of a proceeding before the Board.

(2) “Decision-making personnel” means the Board, a panel of Board members, a Board member, an administrative judge, and/or an employee of the Board, who reasonably can be expected to participate in the decision-making process of the Board.

§ 28.147 Prohibited communications.

Ex parte communications concerning the merits of any matter before the Board for adjudication, or which would otherwise violate rules requiring written submissions, are prohibited from the time the interested party involved has knowledge that the matter may be considered by the Board until the Board has rendered a final decision on the case.

§ 28.148 Reporting of communications.

Any communication made in violation of this section shall be made part of the record in the proceeding and an opportunity for rebuttal allowed. If the communication was oral, a memorandum stating the substance of the discussion shall be placed in the record.

§ 28.149 Sanctions.

The following sanctions shall be available for violations of this Subpart:

(a) The Board, a panel of Board members, a Board member or an administrative judge, as necessary, may, in the interest of justice, require the offending party to show cause why his or her claim, interest, motion or petition should not be dismissed, denied or otherwise adversely affected.

(b) The Board, a panel of Board members, a Board member or an administrative judge, as necessary, may invoke such sanctions against any offending party as may be appropriate under the circumstances.
