### § 3.5 Forwarding of record on appeal.

(a) *Appeal from decision of an immigration judge.* If an appeal is taken from a decision of an immigration judge, the record of proceeding shall be forwarded to the Board upon the request or the order of the Board. Where transcription of an oral decision is required, the immigration judge shall review the transcript and approve the decision within 14 days of receipt, or within 7 days after the immigration judge returns to his or her duty station if the immigration judge was on leave or detailed to another location. The Chairman and the Chief Immigration Judge shall determine the most effective and expeditious way to transcribe proceedings before the immigration judges, and take such steps as necessary to reduce the

time required to produce transcripts of those proceedings and improve their quality.

(b) *Appeal from decision of a Service officer.* If an appeal is taken from a decision of a Service officer, the record of proceeding shall be forwarded to the Board by the Service officer promptly upon receipt of the briefs of the parties, or upon expiration of the time allowed for the submission of such briefs. A Service officer need not forward such an appeal to the Board, but may reopen and reconsider any decision made by the officer if the new decision will grant the benefit that has been requested in the appeal. The new decision must be served on the appealing party within 45 days of receipt of any briefs or upon expiration of the time allowed for the submission of any briefs. If the new decision is not served within these time limits or the appealing party does not agree that the new decision disposes of the matter, the record of proceeding shall be immediately forwarded to the Board.

#### § 3.7 Notice of certification.

Whenever, in accordance with the provisions of § 3.1(c), a case is certified to the Board, the alien or other party affected shall be given notice of certification. An Immigration Judge or Service officer may certify a case only after an initial decision has been made and before an appeal has been taken. If it is known at the time the initial decision is rendered that the case will be certified, the notice of certification shall be included in such decision and no further notice of certification shall be required. If it is not known until after the initial decision is rendered that the case will be certified, the office of the Service or the Immigration Court having administrative control over the record of proceeding shall cause a Notice of Certification to be served upon the parties. In either case, the notice shall inform the parties that the case is required to be certified to the Board and that they have the right to make representations before the Board, including the making of a request for oral argument and the submission of a brief. If either party desires to submit a brief, it shall be submitted to the office of the Service or the Immigration Court having administrative control over the record of proceeding for transmittal to the Board within the time prescribed in § 3.3(c). The case shall be certified and forwarded to the Board by the office of the Service or Immigration Court having administrative jurisdiction over the case upon receipt of the brief, or upon the expiration of the time within which the brief may be submitted, or upon receipt of a written waiver of the right to submit a brief. The Board in its discretion may elect to accept for review or not accept for review any such certified case. If the Board declines to accept a certified case for review, the underlying decision shall become final on the date the Board declined to accept the case.
